CANDIDATES**

BUSINESS ANALYST / SENIOR BUSINESS ANALYST (REF: JB/0251)

(Desired Remuneration R50kp.m.)

This candidate (white) is an experienced BA who has had exposure to numerous mining projects but who has also come out of one of the major banking groups. Well groomed, excellent interpersonal skills with all round “nice guy” personality, this candidate would thrive well in an environment where he can add value. He has also spent a few of his working years in a consulting role so has had some varied exposure as a BA. He is immediately available

SUPPLY CHAIN MANAGER/ LOGISTICS MANAGER (REF:CN /0252)

(R550000- R600000 CTC. P.a. including normal company benefits)

This coloured female is an experienced Logistics Manager with nine years’ middle management experience. She has obtained a certificate in Strategic Logistic Management, a Diploma in Logistics and is currently completing her Bcom Degree. She has extensive experience in managing staff and resource allocation to achieve company targets and improve efficiency and cost effectiveness. She has full understanding of, and experience in, Inventory Management, Importing and Logistics. She is immediately available.

ANALYST / PLANNER (REF: JB /0253)

(Desired Remuneration R48kp.m.)

This candidate (African) holds a BCom (Honours) in Economics and has spent most of his working career in a demand planning role (four plus years). He feels constricted at the moment as he is in FMCG which has been a positive learning base for him but ideally he would like to have a change of industry where there are better growth opportunities. He has both SAP and APO skills and although not currently actively looking, he would be open to considering specs offering him more challenge than his current role as a Demand Planner

INDUSTRIAL ENGINEER / IT WMS CONSULTANT (REF: JB/0254)

(Desired Remuneration R45kp.m.)

This candidate (African) holds a BSc in Industrial Engineering degree and is currently in the role of WMS Consultant. Prior to that he was a Technical Business Analyst. Although he thoroughly enjoys the supply chain environment, he is open to other industries as well. He is all about delivering technology solutions but would also like to be involved in business operations improvement, optimization and management. He comes across as a very “hands on” technical person who is highly motivated and driven

OPERATIONS SUPPORT MANAGER

(Desired Remuneration R 45,000 CTC with benefits) (REF:UM /0255)

A young Asian male who is experienced and highly-capable professional with over thirteen years of managerial level experience in retail logistics, including the organizing and managing of warehousing activities, and four years of executive level management of operations. With well-versed and practiced executive management, strategic planning, problem solving and organizational skills, he is fully equipped to lead and direct the high-capacity logistics of significantly large projects with timely and cost-effective proficiency

SUPPLY / DEMAND / INVENTORY ANALYST PLANNER (REF:JB /0256)

(Desired Remuneration R480 - R500kp.a.)

This candidate (African) holds a BCom Honours degree in Logistics Management. He has very solid experience as a parts planner and comes across as a driven and ambitious young man. He has been conducting quantitative and statistical analysis of demand trends and drivers across the SC at his current role where he has been since 2012 and indirectly since 2011. He has gained experience across the mining sector and has strong inventory experience. He is now looking for a change of industry and maybe focus in his career going forward. Comes across as a young man of great potential!

INVENTORY PLANNER(REF:UM /0257)

(Desired Remuneration R 28 000 p.m. CTC with benefits)
