TOP
CANDIDATES

HR EXECUTIVE (REF: JB /00588)

(Desired Remuneration: R1.2 m + Negotiable)

This candidate (Indian female) holds a BSoc Sc Honours degree as well as an MBA. She is a respected HR executive who has been at Director level in FMCG, petrochemical and mining companies. She has solid experience in the development and management of transformation in large listed companies; has managed and co-ordinated numerous due diligence exercises for mergers and acquisitions; also successfully managed and led complex union negotiations both in Retail sector and Petro chemical sectors. She has worked on the implementation of Talent Strategies inclusive of succession management, performance management, organisational design and operating model; and directed the Learning and Development Programs for the training teams. Due to possible restructuring she is looking to move to a company where she can add her significant skills and experience to their executive team

CONTINUOUS IMPROVEMENT / WAREHOUSING / INVENTORY MANAGER (REF: JB /00589)

(Desired Remuneration R850k to R900k p.a. negotiable)

This candidate (African male) holds a BTech in Production and Operations Manager and is currently the Continuous Improvement Warehouse and Distribution Manager with a major mining group. He is studying for his LLB (3rd year level) and has been in management positions since 2009 and in the mining industry since 2014. He is currently managing six warehouses in different locations; has a strong background in LEAN and Continuous Improvement and is experienced in introducing and implementing policies and procedures regarding all warehouse and inventory management activities

HEAD INVENTORY AND WAREHOUSE MANAGER (REF: NK/00590) (R900k p.a.)

This candidate (black male) holds a Diploma in Logistics and Supply Chain Management, as well as Certificates in Marketing Management and Legal Liability (Occupational Health and Safety Act). His current position is Warehouse and Logistics Manager with thirty-three Managers reporting directly to, where he has been for the past five years. Although not degreed, he has over ten years' experience within the Supply Chain and Logistics environment, which include over three years at Weir Minerals as Warehouse Manager, over three years at African Explosives Limited as Warehouse Manager and sever years at RTT Logistics as Supply Chain and Logistics Projects Coordinator. He has a good understanding and interpretation of PFMA and MFMA and believes in transparency on all levels

OPERATIONS MANAGER (REF: JB /00591) - DURBAN

(Desired Remuneration R50k - R75 k p.m. Highly Negotiable)

This candidate (Indian male) holds an MDP qualification (NQF6) from GIBS and has an absolute eye for operations and is totally focussed on continuous improvement starting with cost savings. He has managed the successful turnaround of unprofitable and loss-making cost centres to profit centres at several well-known companies and was the youngest General Manager for a courier group. He has been retrenched and is totally negotiable on salary, just keen to find a position where he can add value and help run an efficient operations area

COMMERCIAL /FINANCIAL MANAGER (REF: JB /00592)

(Desired Remuneration R750 - R850 k p.a.)

This candidate (African male) has an interesting profile and would be a good fit in a

financial/commercial and/or academic environment. He holds a PhD (Business Administration), MBA and Advanced Diploma in Management Accounting. He is a real strategic thinker who enjoys a challenge and has proved this by working in various roles (HR, Operations, Commercial) while growing his career. He would fit a Commercial and/or Financial management role and is available at short notice

CORPORATE AND ENVIRONMENTAL SPECIALIST (REF: NK/00593) (R700k p.a.)

This candidate (black male) holds a BA in Environmental Planning and Development, as well as Certificates ISO 14001 Implementing Environmental Management Systems – NQF 6, Incident Investigation and ISO Auditing. He began his environmental career in 2012 at Eskom Megawatt Park as an Environmental Officer. In 2016 he was headhunted into his current role. He is an experienced Environmentalist with a passion for environmental preservation and implementing sound sustainable environmental management systems for business units and challenging the status quo. He is results oriented with proven leadership skills, ability to identify and manage business risks, improving environmental legal compliance and achieve objectives of set Key Performance Indicators

**DESPATCH / LOGISTICS MANAGER (REF: JB /00594)
(Desired Remuneration R40 - R50k p.m.)**

BCom (Logistics) and Honours in Transport Economics. Current role is a Despatch Manager and this candidate (African male) is looking for a new challenge. This gentleman (African) has worked and studied hard to get where he is today, and he is now ready to move into a more challenging and newer role. He comes highly recommended and would be worth consideration. Current role encompasses management of distribution controllers and DC floor staff, budgeting, managing reverse logistics and proper route planning

NATIONAL RECONCILIATION MANAGER (REF: NK/00595) (R600k p.a.)

This candidate (white male) is a qualified Accountant currently completing his Post Graduate in Accountancy through Monash South Africa. He began his career in 2007 as an Article Clerk at JS Brewin & Company. He then worked his way up the corporate ladder as an Audit Senior at ARB Auditors Inc and UHY Hellman Registered Auditors, Financial Manager at Interchain Logistics SA and Glacier Door Systems, Project Accountant at Cobra Isca, as well as Senior Project Controller and 2IC to Manager Finance at Tenova South Africa. His most recent position was as Reporting Accountant SA – (2 Entities) at Aviat Networks South Africa. His position was made redundant in 2018 as the Scotland office took over the South African Finances. He is a strong participative team member, diplomatic, tough and assertive, prepared to stand his ground, yet flexible and adaptable to a dynamic and demanding environment. He managed teams on audits and has obtained extensive experience in various industries which would make him an asset to any company and industry

REGIONAL OPERATIONS MANAGER (REF: NK/00596) (R540k p.a.)

This candidate (white male) hold Certificates in Project Management, Business Management, Marketing Management, and Sales and Marketing Management. He began his career at Castor Paint and Ladder as an Internal and External Sales Consultant from 2000 to 2004. He joined ADT Security in April 2004 as a Commercial Sales Consultant and was promoted to Inland Outlying Sales Manager in February 2015. After two years in that position he was promoted to Branch Manager of Rustenburg and Brits/Hartbeespoort until December 2018 when he was retrenched. This candidate is interested in an Operations Management position where he can contribute his fifteen years Security experience, achievements and skills to a growing company. He has a strong business acumen, is results driven, customer orientated, and effective at building teams and encouraging staff

ESTIMATE MANAGER (REF: NK/00597) (R420k p.a.)

This candidate (black male) holds a National Certificate in Freight Forwarding, numerous Logistics Unit Standard Certificates and is currently busy with his National Diploma in Logistics. Although not degreed, his certificates and courses attended have gained him substantial knowledge to operate as an Estimator successfully. He fully understands the Incoterms for both imports and exports and has advanced geographical knowledge. His strong and stable career path in Freight Forwarding Operations/Estimates compliments his tertiary education. In 2005 he joined SAFCOR Panalpina as an Intern and soon worked his way to Export Assistant Controller. In 2010 he joined Berco Express/Aramex for two years as an International Estimator before joining Toll Global Forwarding in 2012 as an International Senior Estimator. In 2014 he joined a private logistics corporation as an Estimate Manager, where he currently holds the same position. He has well-developed interpersonal skills, is a good communicator, and has an outgoing and energetic personality

IMPORT/EXPORT LOGISTICS COORDINATOR (REF: NK/00598) (R360k p.a.)

This candidate (black female) holds a Diploma in Logistics and Supply Chain Management, as well as a Certificate in Import and Export Management. With over twenty years stable Logistics experience she began her career in Internal Sales and Export at Franklin Electric for three year, as Customer Service Rep and Export Controller at International Flavours and Fragrance for six years, and as Import and Export Sales Coordinator for Biovac South Africa for twelve years. Since May this year she has been freelancing her professional Logistical services and is looking to join a company full time where she can stay until retirement, adding value and sharing her knowledge. Her years of logistical experience have given her the confidence and understanding to do what is required and resolve issues swiftly and professionally when needed. With a strong interest in the Export/Import industry she continues to keep up to date with the latest market information

CALL CENTRE MANAGER (REF: NK/00599) (R300k p.a.)

The candidate (black male) has a Diploma in Information and Communications Technology with four years' experience as a Team Leader and Operations Manager. He began his call centre career in 2011 at Destination Dynamix as a Call Centre Sales Agent. He then worked his way up to a UK based Gas company as a Team Leader. In 2014 he accepted the position of Team Leader at Web Help Outsourcing where he ran the Vodafone UK and Shop Direct UK Campaign and managed a team of sixteen members. In 2017 he was promoted to Operations Manager – Webchat and Voice for the Shop Direct UK Campaign where he managed a staff complement of 112 FTE. He is a well-spoken and professional young man who believes in strong work ethics and commitment to his team

SENIOR TECHNICAL SALES ENGINEER (REF: NK/00600) (R300k p.a.)

This candidate (white male) is PSIRA Certified and holds numerous qualifications and certificates that compliment his years of experience as a Technician and Salesman in the Security Industry. He began his career in 2008 at Maintain IT as an IT Technician before he was head-hunted by EA 24 Security in 2011 for the position of IT Manager and CCTV Technical Manager. In early 2015 Regal Distributors head-hunted him for the position of CCTV Sales Specialist. At in early 2016 he began doing freelance installations and contracts for a few months as his commission structure was not paid out as originally agreed upon by Regal Distributors. In mid-2016 he joined Fidelity ADT Security Group where he was the Field Line Manager – Technical for a year before being promoted to Operations Manager – Security and Guarding Services. He resigned in April this year due to restructuring at Fidelity Security Group as his position became contractual and he lost all benefits associated with his permanent position. He is currently at DAC – Direct Access

Control as the Technical Coordinator. He has excelled and grown at each company he has worked in order to better his position and experience and continues to study in his field of appointment in order to better his skills and promote the company he is with

JUNIOR BUSINESS ANALYST (REF: NK/00601) (R240k p.a.)

The candidate (black female) holds a Degree in BSc Computer Science and Statistics, as well as a certificate in Business Analysis. She began her career as a Graduate Intern at SAAB Grintek Defence in 2016. She then worked at Accenture as a Consultant before joining Psybergate as a Junior Business Analyst until January 2019. She is currently looking for a sustainable position as Junior Business Analyst where she can contribute her skills and grow professionally. She is well spoken, professional and a patient problem solver who has a strong passion for Business Analysis
