TOP
CANDIDATES

SENIOR SUPPLY CHAIN MANAGER / HEAD OF SUPPLY CHAIN AFRICA / EXECUTIVE (REF: JB/00543) (Desired Remuneration R1.3m - Plus Negotiable)

This candidate (Indian male) is a high calibre senior Supply Chain Executive with his CSCP, BSc, MDP and is currently studying for his Doctorate in Supply Chain. In his current role he oversees Supply Chain and Customer Services for both South Africa and Sub Saharan Africa. He also directs the organization's overall supply chain operations, including purchasing and inventory of raw materials, selection of vendors, and distribution of finished goods, as well maintaining optimal service levels to both internal and external customers. He also oversees the steps that comprise the supply chain process: Planning, development, logistics, procurement and SC strategy. Top calibre candidate looking for new challenges

TRANSPORT MANAGER (REF: MP/00544) (R1 Million p. a. Negotiable)

This White male has completed his B Tech in Road Transport Management through the University of Johannesburg. Having worked in the transport and logistics industry for more than ten years he is confident that he can contribute significantly in the logistics or transport department of any organization. He has gained experience in liaising with transport companies/sub-contractors and maintaining cost control within the transport operation, issuing resolution and troubleshooting for any operational problem, ensuring customer satisfaction through adherence to delivery plans, establishment of sound relationships with clients on operational level and overall achievement of agreed service level, ensuring outsourced parties adhere to supply turnaround time within SLA time, facilitating continuous performance improvement against operational key performance indicators through continuous alignment of actual performance to targets through the formal performance management process and Smartcoms, implementing and facilitating innovative action steps to address underperformance against KPI's, dealing with suppliers continuously ensuring that best service is received from various suppliers in the most efficient manner but to name a few

SENIOR COST ENGINEER (REF: JB/00545) (Desired Remuneration R850k p.a. Highly Negotiable)

This candidate (African gentleman) holds a National Diploma in Quantity Surveying and Construction Management as well as a Diploma in Project Management. He is also registered to start studying towards a Master's in Project Management in 2019. Currently he is working overseas for a large petroleum company in Saudi as a Senior Cost Engineer (since 2013) and he is very keen to return to his family in South Africa. One-month notice would apply

PLANNING, PROCUREMENT, CONTINUOUS IMPROVEMENT, SALES & OPERATIONS PLANNING (REF: JB/00546) (Desired Remuneration R760 - R800k p.a.)

An accomplished and proficient Manager (Asian male) with extensive experience in Logistics, Inventory and Supply Chain. Holds a BCom Logistics Management and CSCP (Apics). Specific proficiency relates to monitoring quality, quantity, cost and efficiency of the movement of goods as well as analytical data to monitor data performance and plan improvements and demand. He applies confident decision-making ability and strong initiatives to surpass expectations in a demanding and competitive business environment. Holds a reputation for meeting and exceeding the most challenging inventory control and management goals, targets and objectives

KEY ACCOUNT MANAGER (REF: JB/00547)**(Desired Remuneration R50k plus p.m. Highly Negotiable)**

This candidate (White female) has a Purchasing Diploma but has spent most of her working life in various roles in logistics. She was with an express courier company for eighteen years, where she moved through various roles, one of which was Key Account Manager and various Business Solutions Manager for various divisions. Her most recent role was Africa Regional Logistics Manager with an international courier company. Her experience has been through numerous in-house courses and practical experience gained on the job. She was retrenched and is looking for a new position

INDUSTRIAL ENGINEER / CONSULTANT (REF: VR/ 00548)**(Desired Remuneration R40 - R50k p.m.)**

This candidate (white male) holds a BSc. Honours in Industrial Engineering. He has two years' experience in continuous optimisation and planning, capacity modelling and site development planning. He has also travelled within Nigeria, Angola and Ghana to assess potential production sites, which included the investigating of logistics, utilities, warehousing, production, packaging as well as staff capabilities. He has developed a planning tool with visual planning aids, plus multiple "bolt on" capabilities such as KPI and downtime tracking and been exposed to a multitude of industries thus gaining a solid understanding of business dynamics and lean enterprise

SENIOR PLANNER/SYSTEMS IMPLEMENTER (TMS)/Logistics (REF: JB/00549)**(Desired Remuneration R480k plus p.a.)**

This candidate started on a graduate programme at a major logistics company and gained exposure to a lot of operational experiences including warehousing (receiving and dispatching), Fleet Controller (planning, liaising with drivers, fleet admin, Fuel audits). He then moved onto a Systems (Transport) role where he was using FLO; from here he moved into system implementation. Next step was that of a Planner for another major logistics company and his most recent position is that of Senior Planner where he ensures the SLA is met as well as SDAs, fleet mixes, NDD alignment. Role is analytical, analysis is the key role as a lot of continuous improvement is done. He has completed his CSCP studies but not yet written the exams

KEY ACCOUNT MANAGER (REF: JB/00550)**(Desired Remuneration R35k p.m. Plus Comm)**

This young man (white) holds a BA degree in Sports Science from Stellenbosch University. He majored in Psychology and Sociology. He is experienced in Relationship Management, Sales, Marketing and Operations with a demonstrated history of working in Wholesale, Retail and the Computer Software industries. He is comfortable in a sales, key accounts and operational environment so presentations and client visits are areas where he is very experienced. Most of his experience has been in the trail and safari industries and he has a strong network with outdoor retailers

MATERIALS MANAGER, TECHNICAL BUYER (REF: JB/00551)**(Desired Remuneration R35k p.m.)**

This candidate (Asian male) has a Diploma in Purchasing and Supply Chain Management, Logistics and Production Planning. His most recent role was that of Materials Manager (prior to that Senior Buyer) and he has recently been retrenched. His experience encompasses project management, production planning (including forecasting, planning and scheduling) and working knowledge of ISO9001. He is a dynamic, energetic and professional candidate who had the reputation as the "Go to" guy in his last role

TECHNICAL BUYER / PROCUREMENT MANAGER (REF: JB/00552)**(Desired Remuneration R380 to R400k p.a.)**

This candidate (White male) is finishing his CIPS L4 qualification in May this year and has solid experience in the area of buying/procurement particularly in the mining sector. He has solid SAP skills and is system focussed so comfortable with ERP systems. His inventory knowledge is solid as well as his forecasting and planning skills. A great deal with his technical and operations experience has been gained onsite. Immediately available

BUYER / SENIOR BUYER (REF: JB/00553)**(Desired Remuneration R25 - R30k p.m.)**

This young lady (African) is a competitive, well organised and successful Buyer with a solid procurement background (since 2013). Her categories have mainly been relating to the mining industry (steel, pumps, valves, pipes, chemicals, PPE plus office supplies). She holds a BTech in Internal Audit and an Advanced Diploma in Accounting Science. Solid SAP (MM) and EXCEL skills. She is looking preferably for a permanent role although she is open to contract as well and is immediately available due to retrenchment and subsequent short-term contract roles

SHIPPING CO-ORDINATOR/DEMAND & SUPPLY PLANNER (REF: JB/00554)**(Desired Remuneration R28 - R30k p.m.)**

This candidate (Coloured female) was a Demand and Supply Chain Planner with a major Chemicals company (Sales and Operations) for several years and is now looking to grow her career further in the planning arena, after taking a sabbatical to teach English in Thailand for a few months. She is busy with her second year BBA degree and is skilled on SAGE, QAD, Qlickview, Just Enough as well as having advanced Excel skills

IT SUPPORT / NETWORK ADMINISTRATION (REF: JB/00555)**(Desired Remuneration R25k p.m.)**

This young candidate (White male) holds a National Diploma in PC Engineering and is a competent and resourceful IT support person to have on board. He has solid skills in IT administration, desktop support, server management, training skills, PC upgrades etc. He is looking to make a move to a more secure environment so he can add value and grow his career going forward. Personal recommendation on this candidate!

OPERATIONS MANAGER / PROCUREMENT / ADMINISTRATION (REF: JB/00556)**(Desired Remuneration R25k p.m. Negotiable)**

This gentleman (Indian) was working as an Operations /Procurement /Admin Manager for a medium sized organisation in the food industry. He has been left without work after the company owners closed shop and moved overseas without notification. He is a well-spoken, mature and responsible manager with solid experience in procurement, stock control, petty cash, admin and driver management. Prior to his last role, he was a Receiving Manager/ Freezer Manager/ Buyer for another food company. He is fluent in English, Afrikaans and Zulu

LOGISTICS CONTROLLER (REF: VR/ 00557)**(Desired Remuneration R20 - R25k p.m.)**

An extremely presentable, confident young (Black Female) She holds a B Tech Logistics degree from the University of Johannesburg. She has four years logistic experience in logistics reporting, planning branch orders and negotiations of transport rates, clearing processes, customer liaison and receiving products from suppliers locally and internationally, with very good SAP (MM) and Excel skills

GRADUATE - BUSINESS (REF: JB/00558)

(Desired Remuneration - Negotiable)

Young graduate (white female) just finished her studies in B.Com. Entrepreneurship and Business Management at North West University in Potchefstroom. She is looking for any role where she can start her working career and preferably where her studies will be able to add value. She is keen, well-spoken and obtained good marks during her studies (numerous distinctions). Resides in the northern suburbs. Immediately available
